One Perfect Evening Bag

CLOCKWISE FROM TOP LEFT The lush grounds of La Réserve in St. Jean de Luz, France. Where London's coolest customers go: City Inn's Millbank Lounge. Rooms with a coveted Aegean view at Anemomilos Apartments on Folegandros, Greece. Luxembourg Gardens, with walking distance of Paris's Hotel La Perle.

### FRANCE

**La Réserve** / *St. Jean de Luz* This is a place where time seems to stand still. The lush grounds of this 19th-century chateau are a haven for the elite, offering a mix of modern luxury and historical charm. The property is surrounded by rolling green hills and a clear blue sky, providing a serene escape from the city.

**City Inn's Millbank Lounge** / *London* This is a place where the city's coolest customers go. The lounge offers a sophisticated atmosphere with a mix of modern and classic decor. It's a perfect spot for a drink and conversation in the heart of London.

**Hotel La Perle** / *Paris* This is a place where the city's elite go. The hotel is a masterpiece of modern architecture, offering a mix of luxury and comfort. It's a perfect spot for a stay in the heart of Paris.

### GREECE

**Anemomilos Apartments** / *Folegandros* This sea-cliff village on the small isle of Folegandros gets our vote as the prettiest in Greece—and the best Aegean vistas in town are waiting for you at the low-key Anemomilos Apartments. Enjoy them in private (if you like gazing out the window, the Blue-Line Studios have the biggest wow factor) or at the pool, where couples gather to share tales of their odysseys. Doubles from \$150 (low season) and \$245 (high season); [anemomilosapartments.com](http://anemomilosapartments.com). —*Bob Payne*

**Blue-Line Studios** / *Folegandros* This is a place where the city's elite go. The studios offer a mix of luxury and comfort, with a focus on providing a unique Aegean experience. They are a perfect spot for a stay in the heart of Folegandros.
